

boxxer::Boxxer2D::filterDoG

```
graph RL; A["boxxer::Boxxer2D::make_scaled_image_stack"] --> B["boxxer::Boxxer2D::filterDoG"]
```

A diagram showing a call from `boxxer::Boxxer2D::make_scaled_image_stack` to `boxxer::Boxxer2D::filterDoG`. The call is represented by a blue arrow pointing from the right box to the left box. The left box is shaded gray, and the right box is white.
